LANGUAGE, AREA, AND TECHNICAL TRAINING

The Programs Division and Language Services Division have recently been merged into a single division combining the functions of both. This division, therefore, operates the CIA language laboratory, and arranges for all external training of Agency personnel.

1. Proposed mission and functions, table of organization, and organizational chart of this division.
2. Announcements of non-CIA Language-Area Programs abroad.
3. Two case histories of established programs, [REDACTED] Summer Area Program and (B) [REDACTED] Asia Program.
4. Summary of External Training for FY 1953.
